Thank you very much again!

Seok-Hyun, Faurecia India

Today I had to get my documents reviewed through VFS and an interview with the Indian Embassy. The documents prepared by Lexagent was almost perfect and one document (cover pages- 2 pages document) was re-made based on the specific requirements of the Indian embassy. One open point was the housing support in India which is why I mentioned that my housing will be provided by the company Faurecia India and it will be located in Anantour.

VISA will be processed by next Wednesday and then delivered to me no later than next Thursday. Once I receive it, I will share it with the India team immediately.

Appreciated your support regarding the VISA application process and even the staff who work at the VFS offices mentioned that you have contacted them a couple of times to ensure that the application is progressing smoothly. She commented a couple of times about the way you have actively supported the whole VISA Issuing process.

Pratik Agarwal, Smart Works

I'd like to thank the Lexagent Team for successfully helping us find a home that meets our requirement. The entire experience right from finding the house to finalizing the paperwork has been delightful and very professionally handled. It's very rare to find such professionalism in the residential sector since it's so unorganized but this transaction has completely changed my opinion.

I'm glad we could do this and look forward to doing more work together.

Sadaf Nakhwa, HR Manager Schlumberger

We would like to thank and applaud you for an excellent and impressive level of customer service and support throughout the move. Since day 1, your level of attention, knowledge of service, flexibility and quick turnaround has been commendable. Not to mention the high level of patience especially during current times. The move could not have been any easier. Thank you Lexagent once again 😊

Thiago Pacheco, Schlumberger

Mandeep Singh, Landlord

I would like to thank Lexagent for their amazing professional approach in getting my apartment leased. I am thoroughly impressed with your work etiquette and could not have asked for a better experience.

Nitin Vahi, Schlumberger

I would like to share this note as a formal appreciation of the great support my family received from Lexagent during the last one month. Thank you for all your efforts and dedication towards making our transition period as comfortable as possible. In particular I would like to complement you on your good awareness of the market (rates / apartment sizes / areas) and the "additional support" you helped us (e.g. paperwork challenges, driving license advise, move in readiness, organization of a tempo truck during the move as late as 11 pm given the movers company turned out to be rather negligent).

Your insights into local schools (pros/cons) were particularly helpful for us to feel good of the schooling decision we had already made but didn't have too many direct data points to validate our thought process.

I look forward to keeping in touch with Team Lexagent!

Asif Khan, Landlord

At the outset first let me thank you for your excellent and very professional assessment and handling of the handover. The way you summarized the details in the email and over the call – room by room every detail – it was great. I am very glad that we engaged yourself/Lexagent for the same. Also, I am sorry that you had to deal with rude assignee; but you managed it very well and kept it professional. I do not think anyone else would have been able to do the job you did. Thanks much for your patience and efforts on this one. You have been great as always.

Thanks again for your excellent efforts!

Our relationship started even before we moved to India. They managed immigration for my family from Netherlands, finding us a home and all post arrival services. Over our entire stay of 5+ years, Lexagent supported us with immigration and other services. They also have a great social platform for expats called the Pune Expat Club, where they invite all new and residing expats for wonderful events. We made several friends in those events and also created many beautiful relationships. We whole heartedly recommend Lexagent to any family or corporation looking to relocate their expats to India! Kevin Beausoleil, General Manager, Navistar India

My company being a customer of Lexagent since 2007, we are pleased with their attentiveness, hard work and dedication. They have always understood that their first priority is to please the customer and they are willing to make the extra effort to ensure satisfaction. I think one of the best things about working with them is their positive attitude; even when times are tough they manage to pull off a sincere smile and work through the issues. There are a lot of firms in India who do this type of work, Navistar has tried several of them but we have stayed with Lexagent in India because of our positive experiences.

2011

Stephen Fernandes, President, Customized Energy Solutions

Lexagent has been responsive to my needs and have often gone beyond what I would have expected from a relocation agent. They helped prior to my family's arrival by providing advice on schools for our three children and help that process move forward. They understand the needs of expatriates and anticipated several of them before I realized how important it would be.

When we arrived in Pune we found the house to be exactly what we had hoped. We were able to move in the day we arrived without any significant issues. Additionally, they helped us navigate the sometimes torturous bureaucracy with getting us registered.

They helped us in locating a business office which has also proven to be very time and cost effective. But most importantly they helped us in connecting with others. I would recommend them highly to anyone that is relocating to Pune.

2010

Carsten M. Glombik, Head-Global Accounts, Bajaj Allianz Insurance Companies

For the second consecutive time Lexagent renewed my annual Indian Employment Visa with the Indian authorities. Lexagent handled both cases professionally, precise, fast and with ease. Thank you Lexagent & well done!

2008

John Clark, Managing Director, Credit-Suisse India

I would wholeheartedly support your use of Lexagent as your relocation agent. I worked with Lexagent in arranging my relocation to Pune, India. They took care of everything from showing me the various available rentals to negotiations to ensuring the newly built apartment was 100% complete prior to moving in. I am very pleased with their work.

Worth special note is that Lexagent arranged for the renewal of my India employment work papers within 36 hours. Their willingness to work the system to get the job done is greatly appreciated.

2007

Rita Chye | Head of International Assignment Services, Asia Pacific | General Motors

I just wanted to drop a note of thanks and utmost appreciation for the great job you have done for General Motors. In our line of work, we seldom hear good news and people never run out of complaints and never tire of telling you how bad something has gone. Fortunately, I have heard

nothing but rave reviews from our ISP who have had the pleasure of your service. I know how challenging an industry you are in and I really appreciate the dedication of your team of consultants.

2006

Don Springer, Supply Chain Director, General Motors

My wife and I started our exploration of taking an assignment in India with General Motors back in September of 2005. I have to say that the Lexagent agents were highly professional, knowledgeable and tailored their agenda around the client's needs. This is just outstanding customer service! I would recommend this company to anyone traveling and relocating to Pune, they take the stress out of the cultural transition.

----- End of Recommendation -----
